December 28, 2006

Dear Dr.Hitzig,

This letter is to express my gratitude to you and your staff.

On November 22 through 24,2006 my wife and I had the opportunity to complete the intensive training in hair restoration under your guidance and instruction.

I particularly enjoy your teaching. Your style is open, cordial, stress free and you were always available to answer my questions. I must say that it was a unique, interesting and fascinating experience.

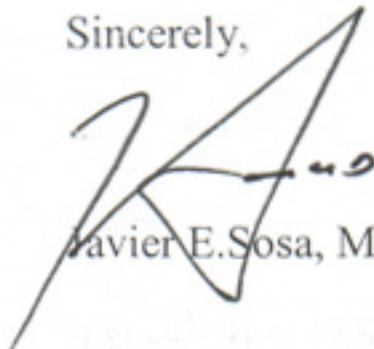

I now look forward to the future with excitement, to the time when I too can have my own practice in hair restoration.

It is my plan to have my office equipped and ready to work by the summer of 2007.

I look forward to have you come to Florida and help me finish my training at that time. I will contact you about that matter later.

Please receive best regards from Ileana and myself to you, your family and your staff.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Sosa', written over a printed name.
